

Chemtrition[®]

PERFORMANCE GUARANTEE

2020

The System of Chemtrition[®] is a 3-stage nutrient management system, that includes PreCede[®] (seed nutrient dressing), ReLeaf[™] (herbicide treatment) and 42Phi[®] (fungicide treatment), being applied to the same acre within the same crop year, to deliver the essential nutrients throughout the plant's lifecycle. Implement the System of Chemtrition in your 2020 crop planning and ATP Nutrition will guarantee a minimum yield increase equal in value to the input cost of the program.

PERFORMANCE GUARANTEE

2020

TERMS AND CONDITIONS

- The System of Chemtrition® is a 3-stage nutrient management system that includes PreCede® (seed nutrient dressing), ReLeaf™ (herbicide treatment), and 42Phi® (fungicide treatment), being applied to the same acre within the same crop year, to deliver the essential nutrients throughout the plant's life cycle.
- The Performance Agreement offered by ATP Nutrition offers a performance guarantee on the System of Chemtrition products: PreCede, ReLeaf, and 42Phi, and does not provide a performance guarantee on any agrichemistries or other nutrient products applied to the same acre.
- The System of Chemtrition products, PreCede, ReLeaf, and 42Phi must be applied in 2020, at the rates specified by ATP Nutrition:
 - PreCede Cereal, PreCede Pulse, PreCede Wheat=3 ml/kg seed
 - PreCede Canola = 6 ml/kg canola seed
 - PreCede Soy = 1 ml/kg soybean seed
 - +
 - ReLeaf (all crops except canola and corn) = 1 L/ac
 - ReLeaf Canola/ReLeaf Corn = 2 L/ac
 - +
 - 42Phi (all crops) = 1 L/ac
 - 42Phi tank-mixed with fungicides (all crops) = 0.5 L/ac
- To register for the System of Chemtrition Performance Agreement, the grower must complete this registration form and submit the completed form Electronically, or by Mail: ATP Nutrition, 190 Agri Park Road, Oak Bluff, Manitoba, R4G 0A5, or by Fax: (204) 487-0027 before July 15, 2020.
- The System of Chemtrition Performance Agreement does not apply to any returned product purchased for resale, or to any product purchased but not applied.
- The System of Chemtrition Performance Agreement covers the cost of the product only. Claims will be reimbursed with product only.
- The System of Chemtrition Performance Agreement is available for on-farm use only.
- To substantiate yield performance, the producer must leave a representative check strip for each field treated and a side-by-side weigh off must be conducted, the results documented, and signed by (i) the grower and (ii) one independent capable of certifying the weigh off. ATP Nutrition or their representative(s) may attend the weigh off if so requested by, ATP Nutrition or the producer. Weigh off data shall be provided to ATP Nutrition to qualify for the performance agreement, subject to grower's consent.
- Any claim alleging yields having a value less than the purchase cost of product applied must be received by ATP Nutrition on or before October 31, 2020. Claims must be supported by the above-mentioned side-by-side weigh off documentation, and proof of purchase in the form of 2020 invoices.
- The System of Chemtrition Performance Agreement does NOT qualify due to adverse weather conditions meaning drought, flooding, hail, wind, frost, insects and rodents.
- ATP Nutrition reserves the right to verify the information provided.
